ERG confirmed in the Bloomberg Gender Equality Index The company enters the first quartile of the ranking

Genoa - January 31, 2023 - ERG confirmed for the second year in a row in the prestigious Bloomberg Gender Equality Index (BGEI), measuring companies' commitment to supporting gender equality by promoting a more inclusive workplace, ensuring the transparent and comprehensive representation of information.

The index, which involves 484 companies in 45 countries worldwide, acknowledges ERG a score of 82.0 out of 100, a significant improvement from last year's score of 70.7, allowing it to enter the first quarter of the ranking.

ERG has been recognized for the commitment to international ESG and D&I agreements (such as the Global Compact and Women's Empowerment Principles), the establishment of a dedicated D&I function, featuring Top Management accountability for gender equality, and the implementation of a D&I evaluation in the Group's supply chain. This sets the effectiveness of the Group's ESG strategy.
