

Press Release

Finalized the acquisition of a 80 MW wind and solar portfolio

Genoa, 24 June 2021 – ERG, through its subsidiary ERG Eolienne France, has completed an agreement with FPCI Capenergie 3, a fund managed by the Paris-based private equity investor Omnes Capital, to acquire a 100% stake in Omniwatt, a French firm that owns a portfolio comprising five wind farms for a total of 58MW and two photovoltaic power facilities for a total of 22MW. (see press release of 21/05/2021).

This transaction allows ERG to enter into the French photovoltaic market, taking our overall installed capacity to almost 500MW and to achieve our Mergers & Acquisitions targets set in the new Business Plan to support growth.
