ERG enters Bloomberg Gender-Equality Index

Genoa, 26 Jan. 2022 - ERG has been included in Bloomberg's Gender Equality Index (GEI) which involves more than 400 companies in 45 countries worldwide, measuring companies' commitment to supporting gender equality by promoting a more inclusive environment, ensuring the transparent and comprehensive representation of information.

In particular, Bloomberg acknowledged ERG for the effectiveness of the initiatives aimed at promoting gender diversity among its People in Italy and abroad, through clear guidelines in the recruitment processes, offering development plans in line with best practices while guaranteeing equal pay between genders, as well as the utmost clarity and quality in data reporting.

Entry into Bloomberg's Gender Equality Index confirms ERG's commitment to D&I, for which the company has set concrete and measurable objectives within the ESG plan at the heart of the Group's business strategy.
