### ERG ranks first in the "Identity Corporate Index 2025"

**Genoa, 18 June 2025** – ERG was acknowledged the first position in the *Identity Corporate Index 2025* (ICI), the index that evaluates the integration of ESG factors into corporate governance and management models. The 2025 edition ranked 98 Italian companies, including 22 listed on the FTSE MIB.

The first place overall in the ICI 2025 ranking is an important recognition of the solidity and integrity of ERG's governance and strengthens our commitment to continue generating sustainable value over time for all its stakeholders. A key factor in reaching this milestone has been the Group's strategy, which has integrated ESG criteria throughout the entire value chain.

This first-place ranking adds to the many accolades ERG has received from leading international ESG rating agencies, which have confirmed the Group's leadership in sustainability and placed it among the top global performers.
