ERG and ENGIE sign a PPA for 220 GWh of wind energy in Italy

Genoa, 13 January 2025 – ERG, a leading independent producer of renewable energy, and ENGIE have signed a 5-year Power Purchase Agreement (PPA) for the supply of 44 GWh per year of energy generated by ERG's wind farms in Italy, which operate without tariff-based incentives.

Paolo Merli, CEO of ERG, has commented: *"This new agreement strengthens our partnership with ENGIE, a global leader in energy solutions, with whom we have already signed PPAs in the UK and France. Another important agreement finalized in Italy in recent weeks with major international counterparts, highlighting ERG's proven execution capabilities."*
