ERG exceeds 3,000 MW of installed capacity in Europe **Finalised acquisition of 6 wind farms in France (52 MW)**

Genoa, 6 May 2019 – ERG, through its subsidiary ERG Eolienne France SAS, has today completed its acquisition from the Zurich-based Profond Finanzgesellschaft AG of a 100% equity stake in “Les Moulins de Fruges SAS”, a company incorporated under French law, owner of six wind farms located in the Northern France region of Hauts-de-France, with an overall installed capacity of 52 MW (see PR dated 25/3/2019).

This transaction, which has been approved by the French Ministry for the Economy and Finance, allows ERG to exceed 3,000 MW of installed capacity in Europe in the four technologies managed, and to consolidate its position in France by stepping up the growth path envisaged in the business plan.

This press release, issued at 2.25 p.m. (CEST) on 6 May 2019, is available to the public at the offices of Borsa Italiana S.p.A., on the eMarket Storage authorised storage mechanism (www.emarketstorage.com) and on the Company's website (www.erg.eu) in the section “Media/Press Releases”.
